

Statistics Seminar

*Robert Sigley:
What I learned
at the Joint Statistical Meeting*

Friday, September 20, 2019
12:00 – 1:00 PM DERR 122

Abstract: I went to JSM this summer and will tell you what I learned about with emphasis on teaching techniques and what employers are looking for in graduates.

Dr. Robert Sigley is an Assistant Professor at the Department of Mathematics, Texas State University
