12:00 – 1:00 PM DERR 122

Abstract: The Nontenure Line Faculty Committee has been investigating Lecturer and Senior Lecturer Salaries at Texas State. In this talk, we will continue our discussion from last semester comparing Texas State salaries to median salaries from a comparison set provided by the College and University Professional Association for Human Resources (CUPA-HR).

Dr. White has a Ph.D. in Statistics from Michigan State University, and is a Professor at the Department of Mathematics, Texas State University.
